

July 15, 2002

Dear Members of the City Council,

On June 5, the Historic Landmarks Commission heard a presentation by Stephen Goldsmith and Ray Grant regarding the use of Pioneer Park as an Olympic memorial. The Commission responded by forming a subcommittee to study the appropriateness of the proposed activities for Salt Lake's most historic park. Since that date, I have repeatedly told representatives of the Administration that I view the proposed use of Pioneer Park as one EXCLUDED under the existing zone and that the changes necessary to allow the use are substantial and involve major shifts in the City's policy toward Open Space.

The purpose of my letter is to outline what I consider to be very serious issues related to land use in the Park. I am confident in the ability of the Landmarks Commission to address the compatibility of the proposed activities with the historic status of the Park. Once the Commission's review is completed, however, we will have just begun the review that will be necessary, AND we will be out of time based on the schedule established by SLOC.

In short; I do not believe that the proposed uses are allowed in the Open Space zone, the current zoning of Pioneer Park. You of course have the authority to change that zoning, but that would require more time than SLOC has allowed and you should anticipate significant public opposition. Additionally, you risk reducing protections for open space throughout the City which were developed as part of the 1995 Zoning Rewrite. Prior to 1995, the City's park were zones R-2, a low density residential zone. What I am trying to get across to you is that the restrictiveness of this zone is very deliberate and intentional. It is one of the major accomplishments of the Zoning Rewrite, in my opinion.

I have outlined the obstacles to using the Park as proposed on the attached sheet. My purpose in writing you is to urge you to examine other locations which ARE feasible. By selecting Pioneer Park, the Administration has guaranteed that the City cannot meet SLOC's deadline. Simply put, if the City is to take advantage of SLOC's existing financial offer, you or someone else will need to propose a different site. My personal opinion is that at this point, our best bet is to recruit a donor for a location that is appropriate for the proposed use including the constraints that SLOC is imposing.

Sincerely,

Cindy Cromer

The noise level we have downtown now is very disturbing. She strongly disagrees with putting this park at this location it is so congested now she doesn't know what would happen if this park goes in.

David Guardidee	Post Card		X		Being a voter I really can not understand why you're trading green space for greenbacks. Please remember why its called Pioneer Park. Being proud of 2002 Olympics is fine but us old pilgrims started at the park just like yourself.
Joe Er	Post Card	Homeless	X		Speaking for the homeless we would like to keep Pioneer Park a park.
Chris Atkins	Post Card	741 S 300 E	X		We need a park for the homeless. Enjoyment as well as other people. Don't change the park!
Jeramy Courter	Post Card	8650 S. State Sandy, UT	X		Pioneer Park needs to be left the way it is. The proximity to the homeless shelter and homeless resources makes it the only place for the homeless to go. If you remove that from them, it will make the homeless have to wander around Downtown. Think about it.
Jeff Hutchings	Post Card		X		Leave the park alone. At least we're keeping the element contained. We have other places that need help.

Russ Molloy	Post Card	463 S 400 W	X	Please leave Pioneer Park alone. Put this Oly stuff in Beck St park.
Glenn T. Scurry	Post Card	Homeless	X	Larry H. Miller has the power, I think he's a hell of a guy, I never met him but I love the Jazz, build something for the poor, homeless, vets, people have fought so others can get rich how many slaps are we to take. Do the right thing build a Legacy.
Annette Rodgers	Post Card	5489 S. 159 E # G	X	We need to keep Pioneer Park the same as it always has been. A park we can still keep a park. Salt Lake City needs at least some things to stay the same.
Perry H. Hull	Post Card	1128 E Sherman	X	Three reasons to keep Pioneer Park as it is: 1. It is open to all people in the community, especially those who need a refuge. 2. We need green space downtown. 3. We do not need another amphitheater.
Samuel Cohese	Post Card	1541 Logan Ave	X	Please do not change our Pioneer Park into an Olympic park. Pioneer Park is now open to all people: people who want to picnic during the work week, go to the farmer's market, or take a nap on a hot day. We need our downtown green space. Leave Pioneer Park a park.
Patricia Sells	Post Card	309 e 100 S	X	Keep the park a park! Our green space is limited - don't take that away.
David W. P Hughes	Post Card/ Mee	234 E 1st N #26	X	(Postcard comments) You are the ones we depend on to help those of us who need help to live. Just having friends is not enough. Where is our shelter/food/medical/clothes and (life) why is our life being traded like a mere commodity today? (Meeting comments) I agree with all the things of replacing the SLOC mindset with a better place to put the icon of 2002, somewhere other than Pioneer Park in the middle of SLC.
Wendy Polad	Post Card	839 S. 200 W.	X	Leave Pioneer Park alone. It's all the poor have.
Dennis Fischer	Post Card	253 S State #86	X	If it ain't broke don't fix it.

Leon Johnson	Post Card	212 S 1400 W Apt. C	X	I have been told that whatever you build in the park it will put the homeless people out of the park. Is there possibly any other suitable sites for the Olympic Legacy?
Connie Ritamm	Post Card	2035 So 300 E #1	X	Leave it the way it is.

Vera Eini LCSW	Post Card	5586 S Sanford Murray UT	X	To me building monuments are not as important as people's needs. Please don't spend money on building things while people are hungry and on the street.
Debbie Chase	Post Card	1352 Edison St #6	X	Salt Lake City, needs it's parks! The more the better to relax in - exercise in and to have family fun in. Please keep Pioneer Park a Park.
Liz Paige	Post Card	1128 E Sherman Ave	X	Please keep Pioneer Park a park. Our downtown desperately need green space that is open to all in our community. While the Olympics was an historical event for Utah, changing Pioneer Park would dismiss a much older part of our history. The park needs picnic tables not an amphitheater.
Joseph Coult	Post Card	326 E 100 S Apt 205	X	Why do things have to change. Help leave our park the way it is!
Ruth Hansen	Post Card	1477 Ute Drive	X	Please support the tradition of Pioneer Park. It is a park open to everyone in downtown Salt Lake City, particularly homeless Utahans. We need to maintain this green space not turn in into yet another amphitheater or cement stage. Hey, who will pay to maintain one more thing that we don't need?
Kathi Cohen	Post Card	1541 Logan Ave	X	Leave it as it is. More picnic tables would be helpful.
Shane Monnga	Post Card	842 N 1500 W	X	Please leave the park as it is. It's the only place for the homeless.
Andria Cardelana	Post Card	841 S 200 W	X	Don't change the park it's been here since I was born. It is part of Utah's downtown.
Jeff Abrams-Cohen	Post Card	428 Edith Ave.	X	Please leave our park a park. We need green space downtown. We need to continue to have a place where all people - people who are homeless or yuppies enjoying the Farmers' Market are welcome. Please do not support changing the park into the Olympic park.
Amy Price	Post Card	1062 Princeton Ave #R-1	X	Too many unattractive NEW structures replacing historic buildings, parks, green spaces, etc. (e.g.. LDS conference building was far too expensive and is our expense) I think the money would go to more important things, like to better the rotten education in this state.
Karen Nielsen - Anson	Post Card	1457 Harrison Ave.	X	Pioneer Park needs to continue to be a place that everyone can enjoy. Improve the park with picnic tables, a basketball court, a small lake around which people may feed ducks and enjoy their lunches. We don't need an amphitheater or an Olympic Park.

Jacqin Cowgill	Post Card	West Jordan	X	I have enjoyed the trees and recreational venue this park offers! Keep Pioneer Park a park.
Darrell Guess	Post Card	Men's Shelter	X	Hiding the homeless won't cure the problem. The park is home for a lot of us.
Robert Thomas	Post Card		X	I feel that the park should be left alone.
Robin Page	Post Card	1422 University Village	X	Please make this a better park for the homeless and the low income families in that area.
DeNorris Bradley	Post Card	474 4th Ave. #6	X	I am very concerned about preserving the open space/green space of Pioneer Park. I use the park and have never felt threatened, in anyway. Please give the park a chance by investing more finances in upkeep.
Mary Torgerson	Post Card	325 E 100 So. Apt. 205	X	It would be nice to keep Pioneer Park because of it's heritage and open spaces within the city, thank you.
Joker Hindenburg	Post Card	312 S 400 E	X	Please keep Pioneer Park the way it is, no changes.
Chris Parunt	Post Card	562 S. 600 E	X	Lets be sure to keep helping the homeless and recently ill for shelter to food. I had to sleep on the streets for 3 years before my SS kicked in.
Natalie Allen	Post Card		X	Keep Pioneer Park a Park, this is a park for the homeless.
Rina Sommer Bowen	Post Card	360 E Ramona Ave	X	Leave the park for those who need it.
Annie J. Heart	Post Card	Crossroad urban Center	X	Our downtown does not need another concrete structure. Please preserve our trees and natural resources.
Shawn J. Crosby	Post Card	234 E 1st Ave #2	X	Keep Pioneer Park the way it is.
Mandi Janis	Post Card/ Mee	1203 S. 900 E. 84105	X	(Postcard comment) Please keep the park a park so that it remains accessible to ALL - not only during your leadership but also for under all those that follow you! (meeting comments) Our city leadership does not need to succumb to the money pressure from SLOC and bestow upon our city another unneeded amphitheater. This open space does not need to be cluttered with monuments to an event that lasted 17 days. It is unclear how this area will be maintained once SLOC'S dollars are spent. Regardless of the promises of current leadership, the displacement of the homeless and service providers is sure to follow the development of the Olympic park, because wherever 6 million dollars are planted, fences and security are soon to follow.

Kathi Gaynor	Post Card	831 E Three Fountains 84121	X	Keep Pioneer Park a park.
D. Branundo	Post Card	643 S 700 E 84102	X	Keep Pioneer Park a park.
Dorothy & Larry Brewer	Post Card		X	We feel you should leave the park alone.
J. Allen Kimball	Meeting 6/20	1541 Chandler Drive 84103	X	Just as this community has provided shelter, beds and food for some who carry burdens of life, I believe that by tradition the community has come to offer Pioneer Park as a refuge from related burdens. It is not difficult for me to regard those who frequent Pioneer Park as pioneers in their own right. I am convinced that the park is of great benefit to them and that the present use of the park should be declared its highest and most valuable use.
Paula J. Keirman	Meeting 6/20	660 S. 300 E # 613 84111	X	I would like to save our green space; we have so little of it you know. Do not put at Pioneer Park. The Olympic Cultural Center Amphitheater should go into an area that could use old buildings that needs to be torn down and not in what little green space we have left. Better yet I would suggest that you also consider giving the money to the athletic department which is what the Olympic committee said that they would do if we didn't make a decision by the end of June. Not downtown we have already too much bottle necked traffic downtown. Save our green space, save our park. I was one of the homeless back in 87, 88 and 91, I say 'NO' to Pioneer Park as an Olympic Culture center.
Richard Brown	Meeting 6/20	454 S 500E #1	X	I want the powers to be to think about what you are doing to the homeless and how it is effecting the area businesses. The homeless are camping out, drinking Listerine until they pass-out. I see this in my Ave A between 4th -5th and 500 E to Denver St. This may sound rude, but please have a place for the homeless to congregate, drink and do what they do out of sight.
Vicki Mickelsen	Meeting 6/20			Not sure yet if she is opposed or for. No decisions have been made yet on what might happen. There are still many discussions to be made.

David Berg	Meeting 6/20	Downtown Alliance	X	This would be a positive move for block 49. We need to focus on the issues and realize SLOC'S time frame. We do not want to see the money going back to US Funding. This would complete the necklace to downtown and enhance gateway, hotels and a majority of other attractions. We will only be using part of the park so as not to displace anyone and we will only strengthen the downtown area.
Michael Smith	Meeting 6/20	Concerned Citizen 933-5827 / (a lisle@att.net (P.O. Box 11191, 84147-0191)	X	In favor of having an Olympic Park just not in Pioneer Park. He is very disturbed by Frasier Bullock's comment in Desert News that it will not be built at all if not at Pioneer Park. We need more comments before deciding on where to put this. We need to hold on to the green space we have! (Also called on 6/25/02 to say he's not opposed to the idea of the park -- just doesn't want it to be at Pioneer Park.)
Robin Carbaugh	Meeting 6/20			Haven't made a decision, but how does the master plan and zoning fit into this decision? Can't we re-do the grant and get more ideas?
Tony Caputo	Meeting 6/20	Property Owner	X	He can't understand why everyone thinks this will displace the homeless! The Salvation Army will be gone soon and the homeless might follow. With an Olympic Park right in downtown property values will go up and people can capitalize on the underdevelopment. SLC is dead and needs more activity. We can get control for the park but others need to be let in as a community base to listen and enjoy. There is plenty of empty space.
Samatha Francis	Meeting 6/20	70 Van Buren Ave	X	You have a fight on you hands and it has started today! There is no landmark communication here and you are trying to change the name of the park, push out the homeless, and take away our green space it is not going to happen!
John	Meeting 6/20	Volunteer at the Olympics	X	This is a good positive change for the city. You can still keep the heritage issue with the park your just adding to the enjoyment of it.
Weston McNeill	Meeting 6/20	733 Green St 84102	X	Olympic Legacy Park is a wonderful idea just put it somewhere else! Pioneer Park serves an important function and purpose in SLC. It is a refuge for displace people and is not a drug park. He believes Fair Park would be an excellent place for this legacy.

Cindy Cromer	Meeting 6/20	816 E 100 S 84102	X	She feels citizens need to get involved to help stop this from happening! SLOC is bribing the city into believing they need this park. If the citizens become involved we can put this park where it belongs don't let SLOC dictate what do !
Glenn Baily	Meeting 6/20	864 E Parkway Ave 84106	X	Why is SLOC in such a rush? Lock SLOC into a plan which the constituent accept. The way Pioneer Park is now with no ball fields, picnic areas it is really overdue for something to happen this could be good if it is done right. It needs to become a park where everyone is welcomed!
Donald W. Ball	Meeting 6/20	135 So 30 E #303 84111	X	We need to put this where more of the Olympics took place like Rice Stadium or the Medals Plaza. Pioneer Park is more of a historical value to the city instead of an Olympic one. We need to keep our green space.
Linda Hilton	Meeting 6/20	347 S 400 E 84111	X	She feels like the public is getting cut out of making any decisions for where the Olympic Park should be placed and that the people (SLOC) with the check book are dictating to us what to do. SLOC is leaving at the end of the year so what do they care who gets stuck with any costs or extra taxes.
Jeff Fox	Meeting 6/20	149 Windsor St 8410	X	We do not need SLOC to design our city. Pioneer Park has many uses and changes which can enhance the park but, we do not need outside enmities telling us what to do it needs to be a decision by the citizens.
Jan Barlett	Meeting 6/20		X	The fact that SLOC has no trust in us is very suspicious! It makes no sense to put this at Pioneer Park without any parking. The Medal Plaza is the best place, it is in the city center and this would get the greatest use.
Paul Warden	Meeting 6/20		X	Let West Valley City get the park and keep Pioneer Park as it is.
Ethel Hale	Meeting 6/20	436 E 8th So St	X	She has lived in Central City for 60 years and this is the only park that welcomes the poor people of the city. We should NOT be destroying the trees and we need to respect the historic value of Pioneer Park!
Ana Archuleta	Meeting 6/20		X	Use another park.
Sandy Edwards	Meeting 6/20	437 Douglas 84102	X	The 340 trees in the park are a great asset to the city! We need great parks in our city and Pioneer Park needs to keep its place in history with Utah.

Robert Syfu	Post Card	133 CST Apt #1	X	Please help keep the Pioneer Park as an existing part of our history.
Patricia Samuel	Post Card	660 S 300 E #509	X	At a public meeting today, one citizen said, "Great cities have great parks." I couldn't agree more. Urban life is intolerable without adequate green space. We need oases, not more concrete. The Olympic Cultural Center could be sited where it belongs -- Medals Plaza, for instance. Why destroy Pioneer Park? SLOC dangles \$6 million, says "Hurry, hurry!" and expects to bypass community process. I don't think so. Do you?
Michael and Carmina Molinos	Post Card	125 E. First Ave #1308 84103	X	I would like to continue to walk with my family in the park.
Jennifer Cruz	Post Card	1908 W Gander 1N	X	It is nice for family and people to go and have a picnic.
Molly Smith	Post Card	122 So. 1900 West	X	The park is needed for the homeless so they have a place to go to enjoy and relax!
Sharon Curley	Post Card	PO Box 65	X	Please keep the park as is.
Denise Dewey	Post Card	285 So 200 E	X	Please keep the park as a park.
Mary Ann Morgan	Phone	Comment Line	X	I vote for this is a wonderful idea for the middle of the city! Yes, yes!
Christopher Viavant, Community	364-5576	Letter; Rio Grande Community Council c/o 404 So. 400 W., SLC, 84101	X	Concerns: maintain open space; create more parking and address traffic issues; keep construction of fencing and closed off space to minimum; provide secure and monitored restroom facilities; maintain increased patrol and security.
Carol Hoard	532-3755	email; 241 N. Vine, #802W, SLC	X	The trees are worth more than a theater. Don't do it.
Paul Johnson		73 F Street, #4, SLC, 84103	X	If this park has the Olympic memorial, I would bring friends and visitors to see it. I volunteered for the Olympics and would love a place to visit and reflect on my wonderful experiences. I hope you'll support the Mayor and vote to convert Pioneer Park. and build a permanent reminder for the Games our great city held.
Margaret Pahl		city employee	X	I really liked Nancy's comments in City Weekly about public process. Personally, I love the idea of the library block. It reduces the requested \$4M, by having SLOC help and it will spread people east a bit. Gateway, the Aquarium, Farmer's Market and all of the smaller spin-off investments already have launched the Pioneer Park area. It doesn't need any more encouraging. Central City does. Make the seating area smaller.

Steve McCann		email	X	My relatives in CA want to visit SLC to see Olympic memorabilia. I tell them there is nothing to see. It would be nice if there was some kind of center or park celebrating the Olympics. It is a shame to have had one of the best Olympic events in history and have no monuments or parks to commemorate them. I live in Murray and work in SLC.
Miriam Pope	Post Card	3774 Lois Lane	X	Decorating this park so SLC is all prestigious and impressive makes me wonder if you are REALLY concerned for the people of this city. Are you at all compassionate? You know this decision will hurt more people than it could possibly help! Be Humane! Care for these people.
Darrel Fisher	Post Card	PO BOX 4072 84101	X	Please leave the park as it is or we will have no place to go.
Cassie Wright	Post Card	555 E 700 S	X	The park is fine the way it is.
Sondra Stephens	Post Card	1918 Ramona 84108	X	Isn't there a greater need in the city for the funds? Please reconsider using the money to make changes to Pioneer Park!
Dave Salinas	Post Card	301 E 2700 S #11	X	I am oppose to the Olympic Amphitheater being placed at Pioneer Park this area is a known drug selling area. There is a liquor store and homeless people staying there. This will discourage local and visitors from visiting the park!
Marie Leceleow	Post Card	1359 Enbuglry 84108	X	Be reasonable - Keep Pioneer Park . Don't the homeless deserve some green space too???
Angela Macshara	Post Card	253 S State	X	Please keep the a park. Leave it alone.
